Whilst we work really hard to be very aware of food allergies, due to shared cooking appliances we cannot guarantee a completely allergen free environment. Our chips are cooked in fryers that will come into contact with Gluten, Fish and traces of Crustaceans and Molluscs so if this is an issue or you we can offer other potato choices.

Any dish marked with an \* can be amended to suit certain requirements so please just ask

We reserve the right to not serve dishes to people with severe allergies or intolerances.

COVID-19 Following Government Guidelines our Kitchen Team will not be wearing gloves or face masks but will instead be maintaining social distancing measures and increased handwashing routines.
