Salad Bowls

- "We love salad at the Silverdale Hotel but we like to take things up a notch!*
So much so, that we make our own pickling vinegar from scratch, it's a secret recipe. We then take three types of beetroot, cook some but thinly slice some and keep it raw and crunchy. Then we have some bright and crunchy white and red raw cabbage, banana shallots and thinly sliced cucumber.
All this is done with love and makes up the basis of all our salad bowls and side salads!"

Our version of this classic. A whole sliced grilled chicken breast, served on crunchy leaves with all our house salad elements, doused in Caesar Dressing, topped with parmesan shavings and crunchy croutons **£15.95**
