Whilst we work really hard to be very aware of food allergies, due to shared cooking appliances we cannot guarantee a completely allergen free environment. Our chips are cooked in fryers that will come into contact with Gluten, Fish and traces of Crustaceans and Molluscs so if this is an issue or you we can offer other potato choices.

Any dish marked with an * can be amended to suit certain requirements so please just ask

We reserve the right to not serve dishes to people with severe allergies or intolerances.

All our food is cooked to order so please bear in mind that at busy times food may take a little longer to arrive.
